Return of packaging (deliveries within Germany):
We take back pallets, stretch film, strapping and edge protectors from freight shipments, as well as residue-emptied hazardous-substance containers, free of charge at our premises, Kasseler Straße 76, 34281 Gudensberg, Germany, in accordance with Section 39 of the German Packaging Act (VerpackDG), so that they can be reused or recovered. The customer bears the costs of delivery. Instead of returning them, the customer may arrange for proper recovery of the packaging itself at its own expense. Details are set out in our General Terms and Conditions.

Reference: This information applies to all deliveries from the date stated above until it is replaced by a new version. The order number is shown on the delivery note, on the parcel service’s shipping label and on the freight forwarder’s label.

We are the manufacturer within the meaning of Regulation (EU) 2025/40 of the adhesive tape with Süsse print and of our labels. All other materials are standard materials from other manufacturers. Contact for all questions about this packaging:

Süsse Labortechnik GmbH & Co. KG · Kasseler Straße 76 · 34281 Gudensberg · Germany · info@suesse.de

If the packaging is reused or modified, this information no longer applies to it.
